

ESS-120-35KV

Wireless insulated hydraulic cutting tool

- 1. Equipped with two 14.4V batteries, 40 minutes quick charge, suitable for the environment without power supply
- 2. Pressure relief system makes relief at any time
- 3. Prevent accidents of casualties caused by improper operation in maintenance work, wireless remote control (15m distance) electric pump makes operator completely does not contact, ensure safety
- 5. Passed test by third party, for cutting copper and aluminum cables with light weight steel armored (depending on cable type)
- 6. 10m imported insulated hose ensure insulation and keep operator away from cutting parts
- 7. For cutting copper and aluminum cables with light weight steel armored ( depending on cable type)

Hydraulic cutting head PC-120      Grounding device

Quick coupler      14.4V Li-ion battery

ESS-120-35kV		ESS-105-10kV
Output Force	10t	12t
Rated Pressure	700bar	700bar
Cutting Capacity	Max.: Φ120mm armored Cu/Al	Max.: Φ105mm armored Cu/Al
Battery	14.4V(2个)	18V
Reservior Capacity	0.6L	0.2L
Oil Delivery at High/Low Preddure	0.21 ( 1.65 ) L/min	-
Weight	15kg	10kg
Packing	Al alloy case	Al alloy case

ESS-105-10KV

Hand held insulated hydraulic cutting tool

- 1. High efficiency battery hydraulic pump, compact structure and light weight
- 2. For cutting copper and aluminum cables with light weight steel armored (depending on cable type)
- 3. Passed test by third party to ensure safety
- 4. 10m insulated hose
- 5. For cutting copper and aluminum cables with light weight steel armored ( depending on cable type)

Hydraulic cutting head PC-105      Grounding device

Quick coupler      Pressure gauge

CCST-220

Cable spiking tool

- 1. 15T hydraulic cylinder, strong spiking force
- 2. With alloy steel spiking head, can be used repeatedly
- 3. Powered by hand or electric insulated hydraulic pump
- 4. Easy operation and good effect
- 5. Can be used with insulated cutter

	CCST-220	EST-220
Output Force	15t	3t
Puncturing diameter	135mm	160mm
Puncturing depth	55mm	55mm
Weight	10kg	8kg
Dimensions	30*23*18cm	45*23*16cm
Packing	Steel Case	Al alloy case

ESCT-220

Cable spiking tool with wireless remote control

- 1. Light weight easy to carry
- 2. Powered by Li-ion battery, convenient to use
- 3. Remote control, ensure safety
- 4. Steel nail as spiking head, easy to replace
- 5. Maximum remote control distance 20m

CC-325

Ratchet cable cutter

CC-520

Ratchet cable cutter

	CC-325	CC-520
Cutting Capacity	Max.: Φ32mm Cu/Al	Max.: Φ52mm Cu/Al
Weight	0.5kg	1.1kg
Packing	Plastic Case	Plastic Case
